

The Watts Up 240 is a powerful, wall-mounted uplighter, perfect for use in bedrooms, hallways and living rooms. Available in various power outputs and with an optional dimmer, there's a solution for almost every application. A Watts Up 480 (480mm long) is also available for situations where even more light is required. Bodies are available in silver, white or black and LEDs are available in super warm white, warm white and natural white.

MOUNTING OPTIONS	DIFFUSER OPTIONS	SUPER SERIES LED STRIP OPTIONS		
Wall mounted	Frosted	Total luminaire lumens	Total luminaire watts	Colour temp.
